

**NOVEMBER 14-16, 2016
4TH ANNUAL MIDWEST RISK
MANAGEMENT SYMPOSIUM**

Workshop sessions and presentations are a critical component of the Symposium. Please consider sharing your experiences, expertise, and research related to the following session tracks and presentation types:

- Increasing risk management effectiveness of your organization
- Emergency planning and crisis response
- Supporting wilderness tripping (facilities, equipment, etc.)
- Field practices
- Legal considerations
- Program administration
- Staff training and decision making

BENEFITS OF BEING A SPEAKER

Share your knowledge and experience with peers
Gain exposure for your research or organization
Network with other professionals
Participate in the Symposium at no cost
