

# CAMP ST. CROIX – FOR A BETTER US

Learning, growing and fun happen year round at Camp St. Croix. Because of you, we will continue to build lives through our camps, retreats and outdoor education programs.

## How Camp St. Croix Makes a Better Us:

**Camp St. Croix helps kids reach their potential through camp leadership and character development programs.**

- Each year, hundreds of kids learn to be leaders, develop lifelong skills and build confidence through our camp programs. Your support helps build these young leaders.

**Camp St. Croix connects people with life-enhancing Y programs in our community.**

- Camp St. Croix offers environmental education, retreats and team building programs to hundreds of students each year in our outdoor classroom of 400 acres. Your gifts help make this happen.

**Camp St. Croix impacts globally.**

- Each summer, Camp St. Croix hosts young adults from 14 countries providing a rich cultural exchange in our Y community. These international staff represented the Netherlands, Ukraine, UK, Colombia, New Zealand, Nicaragua, Spain and South Africa.
