Are there special family circumstances we should be aware of? Y/N

(If Yes, Please explain below)

Please provide a narrative to explain why this experience of attending a YMCA program would benefit your child(ren)

Are there any additional circumstances that we should be aware of and take into consideration?

Each year, the YMCA of the Greater Twin Cities raises funds through the Annual Community Support Campaign. Without the support of donors, the personal pricing scholarship program would not be possible. One of the most valuable ways we keep donors committed is to say "thank you!" Our donor have said time and time again that receiving a thank you note from a recipient of a personal pricing scholarship is the most meaningful form of thanks they can receive. We encourage you and your child(ren) to write a thank you note describing what the program experience has meant to your family.

MAY WE SHARE YOUR STORY ON WHAT THE PROGRAM EXPERIENCE HAS MEANT TO YOUR CHILD AND YOUR FAMILY?
