2017
Annual Fund Report

BECAUSE OF YOU, OUR SENIOR COMMUNITY IS STRONGER AND HAPPIER.

Your gift to the Cora McCorvey Annual Fund was meaningful. **Thank you!**

Because of your generosity, Ellen, a breast cancer survivor, is remaining active and gaining her strength back after chemotherapy treatment.

Because of you, Charles at 92-years-old receives transportation from his senior living apartment to build community with his peers at the Cora McCorvey center.

Because of your kindness, Dorothy, a type-2 diabetic, is receiving nutritional coaching, exercise guidance, and community support to overcome her diagnosis.

These are just a few examples of how your gift is working. Because of donors like you, and our community partners, a total of \$38,868 was gifted to the Cora McCorvey Center in 2017.

With gratitude,

Kari Davis
Executive Director

P.S. Your investment ensures seniors have a home away from home to stay active and socialize. Thank you for changing lives.
