2017 Annual Fund Report

BECAUSE OF YOU, OUR COMMUNITY IS STRONGER AND HAPPIER.

Your gift to the Harold Mezile North Community Annual Fund was meaningful. **Thank you!**

Because of your kindness, Andre, a high school junior, is learning how to prepare healthy meals and snacks for his younger siblings.

Because of you, Stacy, a third-grader, is learning how to swim and how to keep her peers and family safe around water.

Because of you, Aaliyah, a homeless teen, is receiving support through Youth Intervention Services to gain housing and employment.

Because of your generosity, Abdul, a high school senior, is learning how to cut hair and manage a barbershop business through the Beacons School Success program.

These are just a few examples of how your gift is working. Because of donors like you, and our community partners, a total of \$221,990 was gifted to the Harold Mezile North Community Center in 2017.

With gratitude,

Matt Kjorstad
Executive Director

P.S. Your investment ensures a brighter future for our youth who are most in need. Thank you for changing lives.
