## ABOUT Y SWIM LESSONS

The Y strives to help all ages learn how to swim, so they can stay safe around water and learn the skills needed to make swimming a lifelong pursuit for healthy living.

The YMCA is centered on four core values: caring, honesty, respect and responsibility. Swim Lessons include age-appropriate opportunities to define, model and celebrate these core values. We utilize low instructor to participant ratios, ranging from 1 instructor to 4-6 participants, depending on stage.

Swim Lessons provide important life skills that could save a life, and will benefit you for a lifetime. All YMCA swim instructors are nationally certified and are trained in CPR, AED, First Aid and Oxygen Administration.

Wondering where to start?

- PARENT/CHILD (stages A-B) is for young participants who aren't ready to be alone in the pool without a parent.
- Independent participants who are developing their skills should start in SWIM BASICS (stages 1-3).
- **Newly-added based on your feedback!** Those swimmers age 4-12 who can swim without floatation 10-15 yards (half of the length of the lap pool) on their front and back, **with their face in the water**, should start in BEGINNER SWIM STROKES (stage 4).
- ADVANCED SWIM STROKES (stages 5-6) is for participants who can swim 25 yards (the length of the lap pool).

More information on stage prerequisites can be found on the Lesson Selector, or by visiting [ymcamn.org/swimming](http://ymcamn.org/swimming).
