## Camp St. Croix Summer Financial Assistance FAQ

We believe every child should experience camp, regardless of family income. Our generous donors allow us to assure that camp is financially manageable for everyone.

### The Process

#### Step 1: Submit a Personal Pricing Plan (P3) Application

By filling out a P3 Application a participant will be made eligible for a scholarship in all YMCA youth programs, not just Camp St. Croix.

Submit the P3 application, at the same time as you submit your camp registration and deposit, to the YMCA Customer Service Center. You can either:

- Submit a request online at: <http://ymcatwincities.custhelp.com/app/ask/>
- Mail the physical form to: Customer Service, 2125 E Hennepin Ave, Minneapolis, MN 55413

The Customer Service Center will process the request and reward between 10% and 50% off your camp session. They will email you to let you know.

If the amount awarded is not enough you can:

- cancel your registration (and be fully refunded your deposit), or
- move on to steps 2 and 3

#### Step 2: Spring Work Days

If you submit a P3 application you are also invited to join us to help get Camp St. Croix in shape for summer and earn money toward your session.

The Spring Work Days take place from 9am-3pm on three Saturdays in a row, starting in late April/early May. Youth up to age 14 must attend with a parent while those 15 and older can come independently.

We credit \$100/youth for every work day completed. Contact [Tracy.Ryman@ymcamn.org](mailto:Tracy.Ryman@ymcamn.org) for more info and to sign up.

#### Step 3: Get in touch with us

If camp is still financially out of reach contact a Camp St. Croix program director and we will work with you to make it possible.

- Overnight Camp: [John.Bussey@ymcamn.org](mailto:John.Bussey@ymcamn.org)
- Day Camp: [Stephane.Lentz@ymcamn.org](mailto:Stephane.Lentz@ymcamn.org)

### Registering a camper as a social service organization

Camp St. Croix works with numerous social service organizations (SSO) to help get youth to summer camp. In these cases it is common for Camp St. Croix to raise and provide a significant portion of the funding needed for each camper so long as our partner SSO is able to raise the remainder.

To become an organizational partner of Camp St. Croix submit an organizational partner application. Email [John.Bussey@ymcamn.org](mailto:John.Bussey@ymcamn.org) to request that application.
