2017 WORLD CAMP

AGE 10-17; HUDSON, WI, USA; JULY 8 - AUGUST 5; \$2675

PROGRAM OVERVIEW

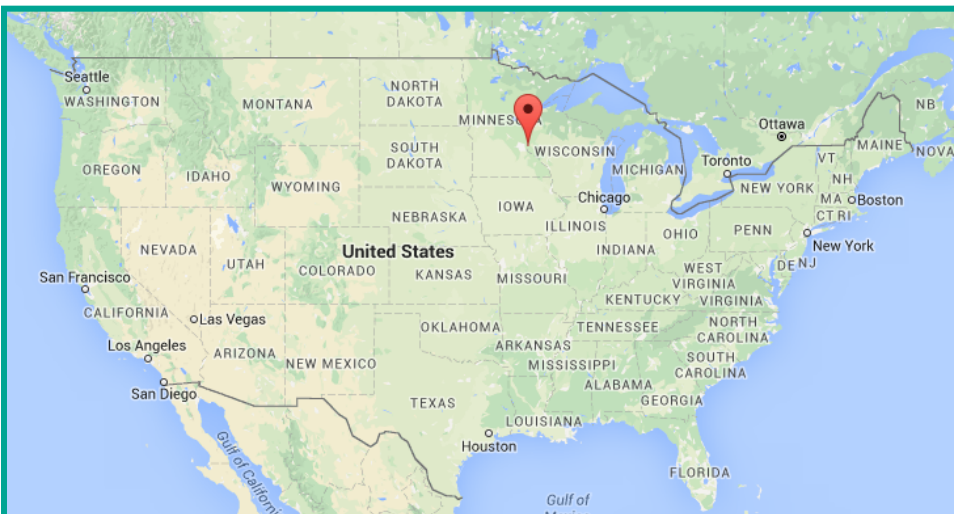

Camp St. Croix draws dozens of youth from around the globe, both American ex-patriots and foreign nationals, to Hudson each summer. While here, international campers experience the best that St. Croix offers and spend their weekends in homestays experiencing American culture (like the Mall of America and Twins Baseball).

Some participants come as individuals, flying by themselves to Minneapolis-St. Paul International Airport where they are picked up at the gate by St. Croix staff. Others come in groups, with multiple participants coming from partnering organizations, commonly YMCAs, overseas.

Throughout their time at Camp, international campers are supported by third-culture kid competent staff and surrounded by both American and international staff (one-fifth of our staff are from overseas). They are able to phone home once a week during their stay and we scan and email written communications daily.

The YMCA of the Greater Twin Cities: A Global Center of Excellence

As a Global Center of Excellence Y, the YMCA of the Twin Cities is committed to international youth development work; we want to do our part to instill the Y's values of caring, honesty, respect and responsibility in young people the world around.

At Camp all participants are immersed in the English Language. While Elementary Proficiency is required, World Camp participation is a great way for non-native English speakers to reach fluency.

2017 WORLD CAMP

PROGRAM OVERVIEW

Depending on their age, campers take part in either Traditional, Adventure, or Leadership Development Program sessions. In Traditional sessions, campers do everything that camp has to offer. They canoe, sail, create art, play innumerable games, are introduced to our trail program, and make friends with other youth from all over the world. Adventure camps are similar to traditional camps except that participants choose a focus: either horses, rock climbing, sailing or canoeing.

The Leadership Development Program is how St. Croix trains its next generation of leaders. Camp’s focus shifts to outdoor skill mastery, service learning, and group leadership.

All of our campers live in modern cabins with groups of other boys or girls their age, eat healthy meals, and are led by experienced and well-trained staff. We have a health professional on camp at all times, either a registered nurse or a doctor, and are five minutes from a hospital.

International Staff
Roughly a fifth of St. Croix’s seventy summer staff are from abroad. As with all our staff we look for extensive experience with youth and with outdoor activities. Volunteer or professional experience with the YMCA is a plus as well. International young adults who are interested in pursuing employment can contact John Bussey at john.bussey@ymcamn.org.

REGISTRATION: WAIVER

In consideration of participating in YMCA activities, and for other good and valuable consideration, I hereby agree to release and discharge from liability arising from negligence the YMCA of the Greater Twin Cities (hereinafter referred to as YMCA) and its owners, directors, officers, employees, agents, volunteers, participants, and all other persons or entities acting for them (hereinafter collectively referred to as "Releasees"), on behalf of myself and my children, parents, heirs, assigns, personal representative and estate, and also agree as follows:

1. I acknowledge that participating in YMCA activities involves known and unanticipated risks which could result in physical or emotional injury, paralysis or permanent disability, death, and property damage. Risks include, but are not limited to, broken bones, torn ligaments or other injuries as a result of falls or contact with other participants; death as a result of drowning or brain damage caused by near drowning in pools or other bodies of water; medical conditions resulting from physical activity; and damaged clothing or other property. I understand such risks simply cannot be eliminated, despite the use of safety equipment, without jeopardizing the essential qualities of the activity.
2. I expressly accept and assume all of the risks inherent in this activity or that might have been caused by the negligence of the Releasees. My/My child's participation in these activities is purely voluntary and we elect to participate despite the risks. In addition, if at any time I believe that event conditions are unsafe or that I or my child are unable to participate due to physical or medical conditions, then I will immediately discontinue participation.
3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless Releasees from any and all claims, demands, or causes of action which are in any way connected with my/my child's participation in these activities, or our use of their equipment or facilities, arising from negligence. This release does not apply to claims arising from intentional conduct or conduct that constitutes greater than ordinary negligence. Should Releasees or anyone acting on their behalf be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
4. I represent that I have adequate insurance to cover any injury or damage I or my child may suffer or cause while participating in this activity, or else I agree to bear the costs of such injury or damage myself. I further represent that I/my child have no medical or physical conditions which could interfere with our safety in these activities, or else I am willing to assume – and bear the costs of – all risks that may be created, directly or indirectly, by any such condition.
5. In the event that I file a lawsuit, I agree to do so in the state where Releasees' facility is located, and I further agree that the substantive law of that state shall apply.
6. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

PARENT/GUARDIAN AUTHORIZATION SECTION — TRANSPORTATION/MEDICAL

1. In the event that I/my child need immediate medical attention for injuries received while participating in a YMCA program, I authorize the YMCA staff to give me or my child reasonable first aid, and to arrange transport of myself or my child to a health care facility for emergency services as needed.
2. I give permission for myself and/or my child to be transported by the YMCA as needed for field trips, inclement weather, or late pick up. I also give my permission to participate in walking field trips.
3. I also give permission for myself or my child to enter Canada with the YMCA. I also understand that I/my child will need to bring our passport to camp if the trip involves such travel to Canada.
4. I hereby acknowledge that the YMCA will assume that either parent of the child may pick up the child at any time during the program unless there is pertinent court documentation on file at the YMCA that indicates otherwise.
5. I agree to the release of any records necessary for treatment, referral, billing or insurance purposes. The YMCA receives medical information on campers/ participants that may need to be shared with medical providers.
6. If I or my child requires use and administration of an epi-pen, prescription or over the counter medication, it is my responsibility to ensure that the epi-pen and/or medication are on me or my child or within our personal belongings every day of the program. If YMCA staff is required to administer and use the epi-pen and/or medication, I agree to forever release and discharge the YMCA and its directors, officers, and employees from any and all liability arising out of or resulting from use or administration of the epi-pen and/or medication.

GENERAL

1. I hereby release all pictures of myself or my child taken by the YMCA for promotional purposes and programming materials including the YMCA website.
2. I acknowledge that certain sections of this waiver may not apply to me and/or my child and the programs or activities that we have chosen but agree to be bound by any applicable language.

By signing this document, I agree that if I or my child is hurt or our property is damaged during participation in these activities, then I or my child may be found by a court of law to have waived our right to maintain a lawsuit against the parties being released on the basis of any claim for negligence.

I have had sufficient time to read this entire document and, should I choose to do so, consult with legal counsel prior to signing. Also, I understand that this activity might not be made available to me or that the cost to engage in this activity would be significantly greater if the YMCA did not utilize waivers as a method to lower insurance and administrative costs. I have read and understood this document and I agree to be bound by its terms.

2017 WORLD CAMP

FREQUENTLY ASKED QUESTIONS

What is the age range for international campers?

Campers must be between 10 and 17 years old on 1 July, 2017 to take part in World Camp.

How does travel work?

World Camp begins on 9 July and ends on 4 August.

If your camper is flying in just for camp, flights should be scheduled to arrive at Minneapolis-St. Paul Airport (MSP) on 8 July and to depart on 5 August. Send your camper's flight information to St. Croix assistant Program Director Dean Welsh (dean.welsh@ymcamn.org).

If your camper will spend time with friends or family in the United States before or after camp they should be dropped off at camp between 1 and 3 pm on 9 July and picked up between 1 and 3 pm on 4 August.

What does the camper fee cover?

\$2675 covers the entire experience for most campers. We charge an extra \$100-\$150 per horse session.

From the time your camper gets off the plane on 8 July until they get back on 5 August all needs will be taken care of.

The fee does not cover flights, health insurance, or spending money (we recommend \$50-\$150 dollars).

Can my camper have electronics like an audio player or cell phone?

Campers may bring electronics for use during travel and during their weekend homestay. During the majority of their time, however, they will not be allowed to have electronic devices with them.

Where will my camper store their electronics, passport and other valuables?

We will store your camper's electronics, passport, documents and cash in a secure location.

Will my camper see America outside of camp?

Yes, your camper will have a two night homestay during which time they and one other international camper will spend the weekend with an American host family. Host families often bring their international guests to sporting events, malls, and American restaurants. Our host families are frequently families of other St. Croix campers and have all undergone background checks.

How can we be in contact with our camper?

All international campers place one call home per week.

We also encourage email communication. We print received emails to campers daily and scan and send home letter written from campers.

What if my camper gets hurt or sick?

We have a registered nurse on camp property at all times and are 3 miles from an emergency room and clinic if need be. In cases of emergency we will contact you immediately, regardless of any time difference. If a condition is not serious we will contact you as soon as possible at a reasonable hour, considering the time difference.

Does my camper need to speak English?

Your camper will need to speak English, but they do not have to speak it perfectly to have a successful experience.

Does my camper need health insurance?

Yes, all campers must have health insurance valid in the United States. In many cases your standard health insurance will cover visits to the United States. If you need to purchase temporary health insurance we encourage you to use www.insuremytrip.com to find basic single trip medical insurance.

Who pays for medical care if my camper needs treatment?

The parent is responsible for the cost of medical care. Camp St. Croix is not responsible for the cost of any medical care that takes place during a camper's time at camp.

While we work with doctors who help keep medical fees reasonable, treatment in the United States can be expensive. For this reason it is very important that your camper holds health insurance.

How do I register my camper?

You register by completing and submitting the World Camp Registration Packet.

Who is my primary contact in the United States?

You can contact John Bussey at john.bussey@ymcamn.org or 1.612.465.0566.

This document will be updated as we receive more questions. You can always find the most up to date version at campstcroix.org/

GREETINGS FROM CAMP ST. CROIX

For over a century Camp St. Croix has brought boys and girls out to the bluffs overlooking the St. Croix River to enjoy the best weeks of their summers. From paddling and sailing to horseback riding and rock climbing, campers who come to St. Croix have a ton of fun, challenge themselves, and (most importantly) make friends in a positive, supportive environment.

In traditional camps younger campers get a taste of all that camp has to offer. In adventure camps participants choose their area of focus - sailing, canoeing, rock climbing, bicycling or horseback riding - and spend hours each day building skills and having fun in their area of choice. Our oldest participants take part in our Leadership Development Program, continuing to hone their outdoor abilities while learning group leadership skills. No matter which session your camper attends they will have a safe, fun and enriching experience.

We hope to see your camper out here at Camp St. Croix this coming summer!

OUR MISSION

YMCA Camp St. Croix builds community and teaches respect for self, others, and nature through summer camp, outdoor education and retreats.

LIFE AT CAMP

ACTION FILLED DAYS

Days at Camp St. Croix are fun and action packed. From archery to rock climbing, arts to canoeing, and swimming to outdoor cooking, every camper is guaranteed activities they'll love. In the evenings we play all-camp games, roast marshmallows, and sing camp songs around campfires.

CABIN LIVING

Campers live in cabin groups with nine other kids and two leaders. Campers form close-knit relationships with each other and truly get to know their counselors. Young campers live close to camp center, while older campers live in rustic outposts and may spend time on trail in tents.

A BALANCED DIET

Campers enjoy family style dining with their cabin group at each meal. Along with accommodating dietary restrictions, our kitchen staff offers up a variety of fresh fruit and a lunch and dinner salad bar so campers have a well-rounded dining experience at each meal.

WELL TRAINED STAFF

Our staff are amazing young men and women who make camp safe, fun, and enriching. They are trained on a wide variety of subjects, from leading games to guiding wilderness experiences and from supporting homesick campers to facilitating nightly reflections. Their goal is to make sure every camper has the best week of their summer.

A SAFE, HEALTHY EXPERIENCE

We maintain our American Camp Association (ACA) accreditation by voluntarily meeting 300 health, safety, and program quality standards that go above and beyond the state's basic licensing requirements.

- An ACA-qualified nurse or doctor is on site every day.
- All of our staff are lifeguards and trained in Wilderness First Aid and CPR.
- Hudson Hospital and Clinic is less than two miles from camp.

THE BEST OF CAMP ST. CROIX

THREE DAYS TO TWO WEEKS; AGE 7-15

Our Traditional campers experience the best that St. Croix has to offer.

They have tons of fun with their cabins in the morning, take part in Camper's Choice in the afternoon, join in all camp games in the evening, and round out the day with all camp games and campfires with their cabin groups.

Our youngest campers, typically age 7-10, form our **Pioneer Unit**, those age 10-12 our **Trailblazer Unit**, and our oldest traditional campers make up our **Woodcrafter Unit**. Units form extended families for campers with unit coordinators organizing games and activities throughout the week.

While Pioneers spend all nights at camp in their cabin, Trailblazers and Woodcrafters are introduced to Camp St. Croix's tripping program. One-weekers spend a night camping out in Camp St. Croix's South Forest and two week campers spend four nights on trail paddling and climbing. Please note that traditional campers may not have time do some adventure camp activities, such as horseback riding and sailing.

HORSES

RIDE, GROOM, CARE AND TRAIN

ONE TO FOUR WEEKS, AGE 10-17

Campers in our horse program develop from novice riders to young adults experienced in many aspects of equine care, grooming, riding, and training. For most **Trail Trotters**, their camp session is their first exposure to horseback riding, and their session focuses primarily on developing basic western riding skills. **Boots and Saddles** campers transition from Western to English riding, spending afternoons with our partners at the St. Croix Training Center. **Wranglers**, with us for two weeks, spend more time in activities besides riding such as grooming and training; they train over their weekend with Pine Lake Pastures.

Our horse-focused Leadership Development Program, titled Equestrians, takes campers skills to the next level and introduces them to long-term opportunities in training and equine therapy. Learn more about Equestrians on page 10.

PADDLE WILDERNESS LAKES AND STREAMS

ONE TO FOUR WEEKS, AGE 12-17

For over a century St. Croix campers have paddled some of the most gorgeous waterways in North America. It's a tradition we carry on to this day.

Our **Frontiers** campers learn the basics of canoe tripping before they spend two nights camping on the Lower St. Croix River; for most of those campers it is their first time traveling by canoe. Our **Voyageur** campers review paddling skills at Camp, then head north to the Boundary Waters Canoe Area Wilderness with their St. Croix counselor. There they take part in a five day wilderness expedition with logistics and guiding facilitated by our sister camp, YMCA Camp Menogyn.

Our wilderness canoeing focused Leadership Development Program, titled **Explorers**, brings campers deeper still into the wilderness. Learn more on page 10.

ONE TO FOUR WEEKS, AGE 12-17

On Lake St. Croix, the mile wide portion of river alongside which camp sits, St. Croix campers gain skills that can take them anywhere.

The **First Mates** program is designed to give an introduction to basic sailing skills and techniques on optimist-class boats. First Mates spend a portion of each day receiving sailing instruction and the rest of their time participating in traditional camp activities. Our **Windjammers** graduate to 420s and a variety of other keelboats. The highlights of the Windjammer program are training sessions with the St. Croix Sailing School, a regionally renowned youth sailing academy.

Mariners, our Leadership Development Program that combines rock climbing and sailing, brings campers to the Apostle Islands, Lake Pepin, and Isle Royale; learn more on page 10.

ROCK CLIMBING

CLIMB THE BEST OF THE NORTH

ONE TO FOUR WEEKS, AGE 12-17

Our youngest climbers, **Rockers**, learn basic climbing techniques and safety protocols at Camp St. Croix's climbing facilities. Midway through their week Rockers take part in a two-night camping trip to Taylors Falls for some classic outdoor top-rope climbing. **Cliffhangers** similarly begin with safety training at camp before hitting the trail for the crags of Devil's Lake State Park. All of our outdoor climbing is facilitated by our amazing partners Vertical Endeavors Guided Adventures.

Our most advanced climbers and sailors unite to take part in the **Mariners** Leadership Development Program. See page 10 for more information.

BICYCLING

YOU CAN'T BE SAD WHEN YOU ARE RIDING A BIKE

ONE WEEKS, AGE 12-14

PILOT FOR 2017.

In 2017 Camp St. Croix will be partnering with Art Doyle's Spokes and Peddles to bring the world of bike touring to St. Croix campers. While riding will certainly be a component of our bicycling program, participants will spend the majority of their time building, maintaining, and tuning bicycles. The rides will be the cherries on top: our Rouleurs will take part in a single night overnight bike trip and our Randonneurs a four night trip. All overnight trips will take make use of Wisconsin's amazing network of crushed limestone bicycle trails.

As a pilot program, sessions marked as tentative will be opened only as other sessions fill.

RANDONNEURS

In partnership with Art Doyle's Spokes and Pedals

Age 12-14; one week; \$675

June 25 - 30	
July 2 - 7	\$600; see page 9
August 6 - 11	(tentative)

DURING THE WEEK OF JULY 2 - 7

During the week of July 2 - 7 our Rockers, Randonneurs, Frontiers, and First Makes will share cabins. Campers can expect to enjoy all the best that camp has to offer as well as spend at least 3 hours a day in their skill area of choice. Rather than overnights, the week's capstones will be full day trips to climb at Taylor's Falls, ride the Gandy Dancer, or take to Lake St. Croix by canoe or sailboat.

LEADERSHIP DEVELOPMENT PROGRAMS

BUILD SKILLS FOR LIFE

TWO TO FOUR WEEKS, AGES 14 - 17

The LDP refers to our challenging outdoor leadership progression for youth age 14-17. LDP instructors coach on group facilitation and leadership, teach technical outdoor skills, and ask participants to collaboratively make consequential decisions.

Participants may apply for a space in Explorers, Equestrians, or Mariners without previous experience at Camp St. Croix. Once those courses have been completed a participant may be invited to take part in Advanced Explorers, Advanced Equestrians, and Advanced Mariners.

Acceptance is competitive and limited space is available. Applications will be reviewed on a rolling basis beginning January 1st, 2017. Space is not guaranteed for applications received after March 31, 2017. As with all Camp St. Croix programs, financial assistance is available. The full LDP Information and Application Packet are available at campstcroix.org under the "Forms and Publications" tab.

MARINERS (SAILING/CLIMBING)

IN PARTNERSHIP WITH VERTICAL ENDEAVORS GUIDED ADVENTURES, AMICUS ADVENTURES AND SAIL PEPIN.

Mariners develop skills in both climbing and sailing. On the water, participants hone skills on Optimists, 420s and J22s. After they master the basics they head out on incredible sailing expeditions on Lake Pepin and Lake Superior. They will also build climbing skills in camp before exploring the Upper Midwest's best crags including Devil's Lake and Shovel Point. The Mariner program is heavily instruction focused, meaning Mariners spend significant time coaching younger campers.

EXPLORERS (CANOEING)

IN PARTNERSHIP WITH YMCA CAMP MENOBYN.

Camp St. Croix's Explorers master paddling and portaging skills in the upper reaches of the St. Croix watershed before heading out on multi week canoeing trips in Minnesota's Boundary Waters Canoe Area Wilderness. More than anything else that Camp St. Croix does, the Explorer program teaches wilderness travel skills. The expeditions are not for the faint of heart.

EQUESTRIANS (HORSES)

IN PARTNERSHIP WITH PINE LAKE PASTURES AND CHANGING GAITS EQUINE THERAPY.

Equestrians are the future leaders of our horse program. They gain skills in training, riding, and caring for horses and work with our staff wranglers to teach skills to younger campers. They spend weekends at various training and equine therapy centers in the St. Croix Valley.

MORE ABOUT CAMP

BOLD & GOLD LEADERSHIP DEVELOPMENT FOR YOUTH FROM ALL BACKGROUNDS

The YMCA of the Greater Twin Cities is a national hub for Boys and Girls Outdoor Leadership Development (BOLD & GOLD), an outdoor education program designed to develop multi-cultural leadership skills in young men and women (age 12-17) through challenging outdoor activities.

BOLD & GOLD experiences are open to all with no experience necessary. We work to remove barriers by making programs accessible to all who are interested. Scholarships are available and enable us to create groups that reflect the diversity of our communities.

In 2017 Camp St. Croix will join Camp Menogyn and Camp Widjiwagan in hosting BOLD & GOLD camp sessions.

Half of our staff are recruited from the Twin Cities while the other half come from the Greater United States and abroad.
