OUR CAUSE, YOUR IMPACT

At the YMCA, we know that solving the complex challenges people face takes bold work. That's why we relentlessly pursue new ways to build thriving communities that will last for generations. We push what's possible, challenge limits and open doors so everyone has an equal chance to succeed.

Camp Ihduhapi connects kids with opportunities to discover and develop their potential.

YMCA Camp Ihduhapi combats summer learning loss by giving more than 2,600 kids and teens the opportunity to stay active, make friends, develop new skills, and build self-confidence in a safe, welcoming environment.

Camp Ihduhapi helps young people live healthier lives.

Ihduhapi disconnects kids from electronics and instead connects them with nature, other campers, quality role models and even horses. "By day two my daughter knew she wanted to come back. She cried on the last day because she wasn't going to see her horse again."

Camp Ihduhapi develops cause-driven leaders through programs that build character and confidence.

YMCA Camp Ihduhapi gives more than 3,700 youth the opportunity to grow in our Outdoor Team-Building Program, where they build character and confidence during the fall, winter and spring months.
