We bring families together to have fun. That's what Family Night is all about – an opportunity to enjoy camp fun with the whole family. It's a time where your camper can show you the exciting things they've experienced at day camp. Program areas are open to try and tours will be available. After a camp dinner (available for purchase), families will enjoy a program of fun songs, exciting stories and more. The camp store is open for you to purchase your camp gear. It's great family fun! All families are welcome at any Family Nights no matter when you are registered.

Visit our web page at ymcamn.org/summer for more information.

PROGRAM ACCESS

The Y is committed to the policy that all persons should have equal access to its programs, facilities, and enjoyment without regard to race, ability, creed, national origin and sex. The Y will accommodate special needs into existing programs to the extent that financial and physical resources permit. So we may provide a positive experience, please contact the Y if your child has any special needs requiring any accommodations.

ACCOMMODATION PROCESS

Consideration is given to the individual needs of every child and the ability of the program to meet those needs. Please inform the Y during the enrollment process if you or your child requires any special accommodation. It is helpful for a smooth program transition to have a conference prior to enrollment. This information enables the Y to better meet your needs or those of your child, within available resources and to the extent reasonable. All staff that will be working with a child with special needs will be informed of how to care for or meet those needs in a timely fashion through a meeting or written notification.
