## MODEL ASSEMBLY ONLINE REGISTRATION INSTRUCTIONS

### OVERVIEW

This document is designed to guide you through **Step 1** of Model Assembly registration. This step is referred to as the “Parent Portion” of the registration process and must be completed prior to the student portion. The parent portion utilizes a system called Personify and is maintained by the YMCA of the Greater Twin Cities (YGTC). **If you have technical difficulties at any point during this first section, please contact the [Customer Service Center](#) at (612) 230-9622 (Hours: M-F: 7am-5:30pm, Sat: 8am-1pm, Sun: 10am-2pm. Live Chat available: M-F, 9am-4pm).**

*Delegation Directors and the YIG State Office will not be able to provide assistance with Personify.*

Prior to beginning the parent portion, please gather the following:

- **CREDIT CARD INFO**
- **[DELEGATION NAME](#)** – The YMCA or school that your student is a participant with.
- **PARENT EMAIL AND CONTACT INFO** – This will be used for YMCA billing purposes and communication from the YIG State Office only.
- **STUDENT'S EMAIL** – This *must* be unique and different from parent's email or any other student's email otherwise their registration **WILL NOT WORK**.

### FINANCIAL ASSISTANCE

If you require financial assistance, we encourage you to apply for a scholarship! Applications can be submitted online at [ymcamn.org/scholarships](http://ymcamn.org/scholarships). The process is easy and confidential. Approvals never expire and are valid for all YMCA of the Greater Twin Cities programs and memberships, which means you'll never have to apply again!

If you've already been approved for scholarship for another YMCA of the Greater Twin Cities (YGTC) program or membership, scholarship should automatically be applied to your Model Assembly registration fees.<sup>†</sup>

Scholarship applications need to be submitted and approved **PRIOR TO REGISTRATION**.

*<sup>†</sup>Only true for customers who've previously used the YGTC's association-wide scholarship application process. If you've received YIG Scholarship in previous years by submitting a paper form, you will need to re-apply this year through the YMCA of the Greater Twin Cities' online application.*

**NOTE:** On pricing – some delegations include their local Delegation Fee (transportation, etc.) with the State Fee, while others will collect their Delegation Fee separately; this is why prices vary. Please contact your Delegation Director for more information.

**TIP:** To find your delegation fast, type the delegation name into the "Location" field – *look for the one labeled "...YIG Delegation"* (e.g. "Blaisdell YMCA YIG Delegation," "AFSA YIG Delegation").

10. Enter **student email address** (required) and cell phone number (optional):

**REMINDER:** Your child(ren) WILL NEED their own email address. This *must* be unique and different from parent's email or any other student's email, otherwise their registration **CANNOT BE ACCEPTED**. Not only is it required for our registration systems, it is also part of our youth development philosophy that our participants should be responsible for their own communications and conference prep. It is never too early for teens to create a professional email address that they can use for future college and job applications.

## 15. Turn it over to the student for **Step 2!**

You're finished with the Parent Portion of registration! Once you have paid and selected "COMPLETE REGISTRATION" above, your student will receive an email from [info@regy.co](mailto:info@regy.co) which will prompt them to sign into their Regy account. *This account is created for them automatically. Regy is the online system used for the Student Portion of registration.*

This email will be sent to the address you entered for "participant email address." Allow a few minutes for this email to arrive, and have your student check their SPAM folder if they can't find it. If you still can't find this email, please contact your Delegation Director or the [YIG State Office](#).

**Step 2** is the "Student Portion" of registration: Students must login to Regy in order to enter their top choices for their assigned program area at the conference. Once we assign students to program areas, they will be able to complete their pre-conference documents (bills, court briefs, etc).

**Your student's registration IS NOT COMPLETE until they do Step 2!**

**THANK YOU FOR REGISTERING FOR MODEL ASSEMBLY!**
