

PBMF 2018 SPONSOR INVITATION

September 15, 2018. Noon till 10pm

An endowment fundraiser for the YMCA of the Greater Twin Cities Camps

Program Partner Invitation

4th Annual Prairie Burn Music Festival

What is Prairie Burn Music Festival?

PBMF is the Twin Cities premier family-centric outdoor music festival. With 4000 young and old attending, it is the YMCA of the Twin Cities' best attended annual event. Proceeds support camper scholarship endowments.

Who are Prairie Burn's Program Partners?

Amazing folks like 89.3 The Current, REI Co-op, the Phipps Center for the Arts, Minnesota Hoopers, St. Croix Master Watershed Stewards, and more.

What do Program Partners do?

One of two things (or both!)

1. Facilitate an engaging booth focused on creative play, arts, the outdoors, and more. Prairie Burn provides the 10' x 15' tent space with a table, lights, and power while the Program Partner provides the engaging programming. Program Partners must be active from noon until 9pm to be considered for the Main Festival Area, and from noon until 7pm to be considered for the Forest Stage Area.
2. Facilitate an entertaining session or activity for an hour. These can take place either on our Forest Stage or in other strategic places around camp (like clogging lessons near the Garden Stage).

What do Program Partners get?

To feel great about supporting an amazing cause AND tons of exposure for their business, projects, or organizations. Prairie Burn publicly thanks Program Partners online through social media and at the festival with two 2' x 2' logo banners.

How do I commit?

Contact either of our two volunteer chairs to share your proposal.

Thank you!
