

2019 Camp Widjiwagan Volunteer Report Form

As an option to reduce some of the cost of Camp, Widji recognizes volunteer work that can be put towards trip credit. This volunteer opportunity is limited to advanced campers (Explorer, Advanced Explorer, Voyageur, and Mountaineer trips) and financial aid applicants on a first come first serve basis. For each 8 hours of volunteer work, campers will earn \$122 toward the cost of their Widji trip. The maximum amount campers can earn is \$366, for a total of 24 hours of volunteering. Volunteering at multiple organizations is allowed and recommended.

Upon completion of volunteer work, please fill out the form below and attach any supplemental information confirming work completed. This form must be mailed to the Widji Office or emailed to info@widji.org for approval and credit. 8 hours of service would be equal to 1 day. No more than 3 days will be credited.

If pursuing volunteer credits, please notify the Widji offices via email info@widji.org or phone at 651-645-6605.
