HOW DOES YMCA CAMP WIDJIWAGAN BUILD A BETTER US?

Every day YMCA Camp Widjiwagan serves relentlessly with our community so that all can learn, grow and thrive. From canoeing to backpacking and more, everything we do helps strengthen our community of young leaders.

Our programs transform lives and inspire hope for a brighter future. When we foster meaningful outdoor experiences, we build strength in mind, body and spirit. When we create safe spaces that inspire confidence and courage, we build the potential in children. We build tomorrow's leaders.

Camp Widjiwagan offers young people wilderness adventures in amazing, beautiful and challenging places. We do that for a reason: to develop in young people respect for self, community and the environment through wilderness experiences and environmental education. Your donation to Widji's Annual Fund will help more young people experience that adventure in the years to come.

TOGETHER, WE MAKE A DIFFERENCE

Widji helps young people develop respect for themselves.

Widji trips are more than just wilderness adventures. They are experiences that test campers' limits and help them reach their potential, building self-confidence and teaching new skills. What campers learn on trail transforms their lives, and they return as stronger leaders, assured in their abilities to make our community better.

Widji helps young people develop respect for community.

Widji brings people together from a variety of cultures and backgrounds. As members of a trail group, campers become a team that works together and uses everyone's individual strengths to accomplish collective goals. Campers develop a new appreciation for their roles – and the roles of others – in the world we share.

Widji helps young people develop respect for the environment.

Widji provides authentic, unplugged wilderness experiences that challenge young people to grow physically, mentally and emotionally. Widji campers develop a deep appreciation for nature and learn how to take care of their environment.

THANK YOU!

The future of our camp is bright, and with your support, our vision of a better community is possible for all. Together, we are building a better us.
