We build strong kids, strong families, strong communities.

# Set on 480 acres of lush pines

in northern Minnesota near Eveleth, MN on Half Moon Lake, YMCA Camp Warren is the perfect atmosphere to make your next gathering a memorable one. From a structured team building experience to a quiet weekend retreat, YMCA Camp Warren offers your group a broad range of opportunities.

## Retreat and Conference Center

Experience the fellowship, relaxation, and renewal of a retreat at YMCA Camp Warren, by immersing your group in an environment that provides physical, mental, and spiritual growth.

The Dining Hall, Silha Center for Outdoor Discovery, and Cub Lodge are all wonderful havens for relaxing and recreating. The rustic Dining Hall and Cub Lodge are excellent locations for large or small group meetings. The Silha Center is a cozy space for up to 25 people to meet.

We are happy to cook nutritious meals in our main Dining Hall for groups of 10 or more (vegetarian options are available). The Silha Center has a kitchen and is ideal for gatherings of 25 or fewer, who wish to bring their own food.

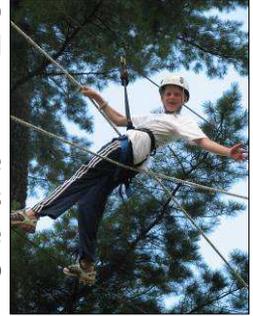

YMCA Camp Warren can host up to 160 people during warm months and 60-100 people during the winter in our charming cabins. Cabins accommodate 12 people and are equipped with a full bathroom, bunk beds and a fireplace. Snuggle up by the fireplace or sit on the front porch to soak in the beauty of nature.

## Warren Team Building Program

Organizations and businesses large and small come to YMCA Camp Warren to include a Team Building experience with their conference or retreat. Our Conference Coordinator will help you design a full or half day program. Our Team Building Program offers the opportunity to explore leadership and teamwork through experiential activities.

Our **High Circuit Course** towers forty feet above the ground where participants access a series of platforms through various obstacles. Participants enter the course on a ladder and descend from the trees on a zip line.

The **Pamper Pole** challenges individuals to set goals and build self-confidence as they climb, and if they choose to, jump from the top of a 28-foot pole with their safety systems.

The **Giant's Ladder** is a 30-foot "giant ladder" that is anchored at the top but is loose at the bottom. Participants climb in pairs and challenge themselves to climb up as far as they can. Each climber must cooperate, support, and trust their partner.

The **Climbing Tower** is a 40-foot tower that provides an arena for participants to develop teamwork while climbing solo or connected to another climber. Participants climb as far as they can while being supported by the rest of the group.

**Low Ropes** are exciting collaborative challenges that our staff tailors to meet the group's needs. The ultimate goal is to provide a fun, safe environment in which your group can build trust and communication through teamwork.
