TERMS OF PARTICIPATION AND RELEASE OF LIABILITY: I certify that the above information is true, accurate and complete. I recognize there is a significant element of risk in any adventure activity associated with the outdoors and I voluntarily assume that risk. Knowing the inherent risks and rigors involved, I certify that I am fully capable of participating in the Wilderness Inquiry (WI) activities and that I wish to do so as a voluntary participant. While participating in kayak and canoe activities, WI will provide a Coast Guard approved Personal Flotation Device (PFD) of the proper size and I agree to wear the properly fitted, serviceable PFD at all times when the vessel is in motion. In consideration of WI providing the Activities, I hereby release any claims for personal injury or property damage against WI (and its agents, employees, directors, officers, and volunteers), arising out of ordinary negligence. I also release such claims arising out of any act by anyone not under control of WI. I give permission to WI and involved program partners to use photographs and video for promotional purposes. I acknowledge that I may be asked questions, written or verbal, for evaluation purposes. I agree to make myself aware of and follow all COVID-19 and other safety policies and protocols while traveling with Wilderness Inquiry and will take responsibility for any expenses incurred if I should become ill or unable to continue the trip. I have read, understand, and accept the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon me during the entire period of participation in Wilderness Inquiry activities. Nothing in this Release and Indemnity Agreement shall be interpreted as releasing WI from liability for injuries, damage, death, or other loss that may occur within the jurisdiction of the National Park Service and is caused by WI gross negligence, recklessness, or intentional conduct, including but not limited to any gross negligence with respect to WI judgments and decision, or WI failure to take reasonable precautions to ensure it provides defect-free equipment. This agreement is governed by the laws of the State of Minnesota without applying its choice of law provisions. If any minor children will be accompanying me, I make the same certification and provide the same release on their behalf. If I am a minor, by signing below my parent or legal guardian makes this certification and provides this release on my behalf.
