BOLD & GOLD at Camp St. Croix Tiered Pricing Request Form

We believe every child should experience camp, regardless of family income. Our generous donors allow us to assure that BOLD & GOLD experiences at Camp St. Croix are financially manageable for everyone.

In general, BOLD & GOLD participants who would like to receive financial assistance should apply for a YMCA Personal Pricing Plan. This makes participants eligible for scholarship for YMCA membership and for other YMCA youth programs, like Youth in Government. Additional financial support is available through our Spring Work Days. Find more information at www.campstcroix.org.

If application for a Personal Pricing Plan presents a hurdle, applicants may use this Tiered Pricing Request Form
