

# A PLACE OF RENEWAL

Looking out over the pristine waters of Burntside Lake, YMCA Camp du Nord seems timeless. And yet the landscape around us is constantly renewing itself season by season.

So it is for Camp du Nord. We too seek to revitalize our facilities, programs and staff in order to continue to be a place that renews spirits and strengthens family bonds. And we want to make sure that we can be that place for all people, regardless of their financial means.

## REVITALIZING AND RENEWING

SUPPORTING YMCA CAMP DU NORD TODAY AND FOR GENERATIONS TO COME

# ANNUAL FUND FOR A BETTER US

Each year, Camp du Nord:

**Enriches** the lives of more than **1,000 families** through active outdoor adventures and restful time in nature. 244 of those families receive financial assistance to attend.

**Revitalizes and inspires 400+ women** at our women's retreats.

**Develops 80 young leaders** through our Leadership Development Program, and through service learning opportunities throughout the year

**Gives seven families** of children who are burn survivors a week of play and family time through a special partnership with Regions Hospital

Through your generous donation to the YMCA Camp du Nord Annual Fund, you can help to revitalize the spirits of a family who might not otherwise have the ability to give this kind of experience to their children. You'll help more young people learn leadership skills and confidence through du Nord's teen and staff programs.

**ANNUAL FUND GOAL: \$140,000**

Ask us about 10 Up and Double Down Clubs, or about monthly giving options.

# CAPITAL PROJECTS FOR A BETTER TOMORROW

The traditions and experience of Camp du Nord are brought to life through our staff. While the team has grown significantly, we've not made the same investment in staff housing. In order to attract and retain the highest quality staff, Camp du Nord needs additional and improved year-round staff housing.

**STAFF HOUSING GAP TO GOAL: \$500,000**

80 acres of land across the lake from Pine Pointe Village is currently for sale. By purchasing that land and keeping it from being developed, we will help to keep Camp du Nord surrounded by pristine wilderness for generations to come.

**PROPERTY ACQUISITION GAP TO GOAL: \$300,000**

**These are two projects yet to be funded in the Revitalizing and Renewing Campaign. Contact Niki Geisler at the Camp Office for more information on how to get involved.**

# ENDOWMENT FOR A STRONG FOUNDATION

The YMCA Camp du Nord Endowment Fund is a secure, stable foundation upon which Camp can build its future. Gifts to the fund are invested, allowing Camp to use the earned interest to support financial assistance, staff development, building maintenance and more. Gifts can be made to the Camp du Nord Endowment Fund in any amount or at any time through bequests, planned gifts, gifts of stock or other assets, or cash gifts. Donors may also specify how they would like their gifts to be used.
