

Donation Guidelines

As much as we would like to say yes to accepting everything, the high cost of disposal prohibits us from doing so. Below are examples of what we can and cannot take. If you would like to make a donation and don't see the item in the list, please contact us using the form at the bottom of this page. If we can't take it, we may be able to suggest ways of using for the benefit of the sale!

Accepted Items:

Animal Traps (ie. Havahart, that does not injure or kill)
