SPECIALTY SWIM

SWIM CREW AGES 5-14
Must pass Swim Strokes stage 5 or perform equivalent skills. Swimmers explore what it’s like to be on a swim team without committing to a whole season. Participants will learn competitive swimming techniques, drills and endurance building. Swimmers are introduced to competitive swimming language and organized workouts.

See Member Services for pricing details.

LOGROLLING AGES 5-99
Logrolling improves fine and gross motor skills, athleticism, body awareness, endurance, confidence, concentration, and most of all, balance. All of this is accomplished while having fun and learning a new sport. Logrolling began many years ago. After lumberjacks brought the logs down river, they would have competitions to see who could balance on the log the longest. The log continues to roll in the water, and the last lumberjack standing won. Today, the sport takes place on the river, lake or in a pool.

HEALTHY LIVING
IMPROVING THE NATION’S HEALTH AND WELL-BEING

COMPETITIVE SWIM

SWIM TEAM
Becoming a member of the YMCA Swim Team means fun, fitness and teamwork. Our swim team is a developmental swim program run by trained coaches to improve swimmers’ competitive skills and endurance through progression rather than intense competition. Team promotes healthy lifestyles while embracing the four core values of caring, honesty, respect and responsibility. Practices are structured much the same way as any competitive swim team: warm-up, stretching, technique, endurance, and cool-down. Participants are expected to come to practice to work hard and improve skills. Expect to be a part of the team by participating in the meets. While it is not a requirement to participate in the meets, it does showcase the team aspect of swimming: you swim together, you win together.

Participant Requirements:
- Front crawl 25 yards without stopping
- Pass YMCA Swim Lessons Swim Strokes stage 5 or Red Cross level 4
- 5 years-21 years old
- Swimmers must be YMCA members to participate

The team experience is designed to promote self-esteem, self-discipline, and sportsmanship.

Cost includes meets.

Payment plan options are available.

VOLUNTEERING
The success of our team is closely linked with the participation of families. The team depends on volunteers to help run swim meets, plan and host social gatherings, or contribute to administrative support throughout the season. It teaches participants the value of helping others selflessly and doing something good for themselves as well as others.
