SPORTS PROGRAMS

LEAGUES

LEAGUES let kids take their skills to the next level and experience positive competition. Age-based offerings vary by session and by sport. Youth Leagues consist of organized practices and team contests. Each team will focus on skill development, practice and teamwork while preparing for games or meets. The fun isn't just for kids- high school and adult leagues are available too!

Note: a structured game or meet schedule will be developed and issued the first week of each session.

CLASSES

In CLASSES, kids will meet weekly to develop their skills through a variety of age appropriate skill drills and team-building exercises. Each session kicks off with a focus on skill development and advances to teamwork concepts which may include light scrimmaging and positive competition. Trained YMCA staff leads each class with help from qualified volunteers. At the end of the session, each age level will have acquired specific skill outcomes needed to advance to the next level of skill development.

SCHOOL'S OUT SPORTS CAMPS

At SCHOOL'S OUT SPORTS CAMPS, kids come to the Y to learn new sports, build sports skills and have fun playing, on days when school is not in session. Kids build the positive relationships that lead to good sportsmanship and teamwork. Ages vary by location.

CLINICS

CLINICS let kids try out a sport they're curious to explore in a no-pressure environment. Come test out something new, or learn more about your favorite sports. Clinics are available for a variety of sports and are offered at different locations and dates throughout the year.
