EAT TO BE YOUR BEST

Nutrition for Performance

Midway YMCA | Beginning May 5th

7 week cooking series | Saturdays from 11am-Noon

Cost: \$70 members \$105 regular rate

This series will focus on the power of food in boosting your energy, health and performance. Whether you are a newbie to the gym or an experienced athlete, this class will provide you with strategies to reach your full potential both in your day to day activities as well as at a race day event. Come prepared to learn more about the impact food has on your health and participate in cooking recipes that will nourish and fuel your body.

Weekly nutrition topics include:

- 1: Boost your Energy, Boost your Workouts
- 2: Foods for Building and Repairing Muscles
- 3: Boost Your Immune System
- 4: Race and Event Day Nutrition Strategies
- 5: Reducing Chronic Inflammation
- 6: Hydration for Better Health
- 7: Sleep for Better Health & Performance
