

## **YMCA of the Greater Twin Cities**

# **Wilderness Camp Personal Pricing Plan/Campership**

The mission of the Y is for Youth Development, Healthy Living, and Social Responsibility, while promoting the core values of Caring, Honesty, Respect, and Responsibility. The Y is community-based and serves people of all ages, backgrounds, abilities, and incomes. We recognize that financial situations can sometimes make it difficult for families or individuals to participate in the Y. The Y welcomes those who wish to participate, and to help make that possible we offer a Personal Pricing Plan program.

Personal Pricing is made possible in part through the very generous contributions of individuals and businesses who support our annual giving campaign and from other donors who are committed to the Y mission. It is through their generosity and commitment that funds are available to provide assistance to children, families, and individuals who need the support.

To apply, please complete the attached form completely and provide required registration form along with necessary deposit. If you are unable to pay the normal registration deposit fee you may qualify in a reduced deposit of \$50.00, please call for more information. The Y requires that applicants provide the requested information on income, family size, and special situations so that we may provide personal pricing in a fair and consistent manner. Applications are processed within 2-3 weeks of receipt, unless extenuating circumstances apply. We require applications to be complete upon receipt. Incomplete applications will not be considered.

**Camp Menogyn and Camp Widjiwagan want to help in any way possible as you begin making plans to attend our wilderness camps. Please call or email if you have any questions, need more information, or to request assistance in completing your personal pricing plan/campership application.**
