INSTRUCTIONS FOR THE UND-3 FORM

The UND-3 form is the delegate assignment form for those delegates not connected with country groups indicated on other UND forms. Complete this form and submit it in tandem with the delegate online registration. ***The UND-3 is required before an individual delegate can be assigned and seated for the program.***

Step-by-Step Process to Complete UND-3

1. Submit a UND-3 form for each delegate in an "individual" program area.
2. Once the UND-3 form is completed, copy it so that the students will have a record of the assignments. Submit the country's UND-3 at the time of registration. Remember that registrations will not be considered complete without a UND-3 submitted.
